

AMERICANS ASKED TO LIMIT USE OF SUGAR

**Must Use No More Than Two Pounds
Per Person a Month if the Present
Meagre Allied Sugar Ration
Is Maintained.**

**Stocks Will Be Short Until Beginning of New
Year—Ration May Be Enlarged Then.**

Two pounds of sugar a month—half a pound a week—that is the sugar ration the U. S. Food Administration has asked every American to observe until January 1, 1919, in order to make sure there shall be enough for our Army and Navy, for the Allied armies and for the civilians of those nations.

By New Year's the world sugar situation will be relieved somewhat by the new crop. Cuban sugar of this year's crop will be arriving in this country.

Every available sugar source will be drawn on by the Food Administration during the next winter months to maintain sufficient stocks here to keep up our national sugar supply. During October the first American beet sugar will arrive in the markets. By the middle of November some of our Louisiana cane crop will be available. All of this sugar and more may be needed to keep this nation supplied on a reduced ration and to safeguard the Allied sugar ration from still further

reduction. In Europe the present ration is already reduced to a minimum.

Our Situation.
The situation which the United States faces in its efforts to maintain a fair distribution of sugar to the Allied world is as follows:

Sugar supplies throughout the country, in homes, stores, factories and bakeries are at a low ebb. We must make increased sugar shipments to the Allies.

Production of American beet and Louisiana cane crops have been disappointing.

Porto Rico crops have been curtailed.

Immense sugar stocks in Java cannot be reached on account of the shipping shortage; ships are needed for troop movements and munitions.

Army and Navy sugar requirements have increased as well as those from the Allies.

Most industries using sugar have had their allotment reduced by one-half; some will receive no sugar.

Households should make every effort to preserve the fruit crop without sugar, or with small amounts of sugar. Later, when the sugar supply is larger, the canned fruit may be sweetened as it is used.

SUNDAY PROGRAM WITH GREAT CONCERT WILL OPEN STATE FAIR

Three hundred voices in massed chorus, an elaborate sacred concert by Thavie's Band of forty accomplished musicians, a wonderful program of vocal specialties by the stars of international repute who are connected with the band, as well as a number of well-known singers claiming Louisville as home, and two spectacular, thrilling flights by the world-famous aviator, Ruth Law, are some of the features scheduled for the grand Sunday Concert celebration, September 8, which will precede the official opening of the sixteenth annual Kentucky State Fair, in Louisville, on Monday, September 9.

The big show itself will be all ready in gala attire for the launching on Monday, and few could want a more picturesque sight than the great exhibition as it rests in cap-a-pie order for the activities of the week days. The myriads of departments and shows will be ready for the review of the crowds and the awarding of premiums; the decorations will be at their crispest; the stock plentifully in line; the amusement features available to the

visitors, and the whole as spick and span as a regiment on parade.

The concert which will be offered by Thavie's Band, his vocal stars and the feature singers of the Louisville Jubilate Choral Association will be an elaborate affair. Splendid co-operation in arranging the attraction has been given the Fair by Fred O. Neutzel, one of Louisville's best-known singers and music patrons, and the voices to figure in the Jubilate Chorus will include such noted singers as Flora Marguerite Bertelle, Marie Siedfried, Leo Sandman and Fred O. Neutzel.

The flights of Ruth Law will be two in number on Sunday, as well as twice daily on the week days of the Fair. Miss Law, who has won world-wide fame by reason of her aerial work, as well as by the splendid service she has rendered the United States Government in enlistment campaigns and Red Cross crusades, will give what promises to be the most thrilling exhibition of her career. She will go after the altitude record and will attempt to outdo even her own dizzy score in looping-the-loop.

MIDWAY AT STATE FAIR

The Midway of a fair is where the people play and the Midway of the 1918 Kentucky State Fair, to be held in Louisville the week of September 9-14, gives promise of being one of the most thoroughly delightful, amusing and diversified "Pathways of Pleasure" that State Fair crowds have ever attended. Guarantee of unalloyed enjoyment is offered in the fact that the street will be manned on either side by the great array of feature shows touring under the Johnny J. Jones banner. Every one posted in regard to Midway attractions is aware of the fact that there is no Midway organization in the country which can boast a better, cleaner or brighter line-up of fun-mediums than the Johnny J. Jones array, and the "Pike" of 1918 is, therefore, certain to be a much-sought section of the Fair. Here the shows will present fronts of dazzling gold and myriad colors, topped by flags and banners and pennants and gay with the quips and quirks of the "barkers" and the many bands which distinguish the Jones' array. From the great wild animal exhibit which heads the list of twenty-two Jones shows to the village of Lilliputians, who demonstrate their cleverness by remarkable performances, the Jones shows are supreme in class and interest. It is the Jones policy to include everything any other Midway line-up can boast and to keep well in the van of the balance of the purveyors, and by this policy it is claimed that visitors to the Midway this year will be regaled with novelties and features never witnessed in a Midway before.

10,000 ENGAGE IN CLUB WORK

Boys and girls in Kentucky to the number of 10,000 are engaged in Club Work, which includes pig, corn, calf, and poultry raising, added to which is canning for the girls. Exhibits of the war time industry of these youngsters who, in keeping with the million or more children throughout the country devoting themselves to service, will be made at the Kentucky State Fair, to be held in Louisville the week of September 9-14. Over \$1,000 has been offered in prizes and a number of special premiums listed, among the most interesting of which is Governor Stanley's proffer of three pure-bred Tamworth pigs to the winner of the pig club work for 1918. They will be on exhibition at the Fair in an ornately decorated booth and will be hotly contested for.

The total aggregate of premium money listed in the catalogue for the 1918 Kentucky State Fair to be held in Louisville the week of September 9-14, is \$78,000. It has been decided by the Kentucky State Fair management to pay all prize moneys of \$5 and less in Thrift Stamps and War Savings Stamps, and those receiving premiums in amounts over \$5 will receive 25% of the sums in War Savings Stamps and Thrift Stamps. By reason of this plan it is estimated that approximately \$35,000 of the premium awards for the Kentucky State Fair of 1918 will be paid in War Savings and Thrift Stamps, and the war budget of the Government be increased accordingly.
